*The Trump administration has released its own bombshell about COVID-19 which turns out to be only refried conspiracy theories and which avoids discussion of the role of the US military, multinational banks and pharmaceutical firms, DARPA, Israel, and the World Economic Forum.*

*The statement DOES address many realities of the totalitarian rule and anti-scientific policies (like masks and social distancing) undertaken in the United States, and it deserves credit for that. But by trying to pin everything on China, and to suggest there was a dangerous "Covid virus" the report continues the legacy of fraud from the Biden administration, reshaping it so as to justify preparations for a war with China.*

There are lots of viruses out there, and clearly various biological weapons were employed to make people sick around the world as part of the COVID-19 reign of terror. We do not know what those weapons were and we will not know until all the documents are declassified, but it is clear that Covid-19 was 90% psychological operation, or maybe 95%, and not a biological attack on the citizens of the earth. There was no COVID-19 virus, no gain of function deadly virus killing thousands, and figures like Kennedy who promote that myth know full well that they are promoting a bogus explanation.

COVID-19 was a psychological operation intended to destroy civil society and to degrade the ability of citizens' ability to think independently. It offered the softening up and dumbing down of the population necessary before they could be compelled to use bogus vaccines. Any suggestion that it was a lab produced virus is a red herring.

Of course, there is nothing surprising here. But I have seen numerous so-called truth tellers propagating this garbage. That part is deeply disappointing. Needless to say, no American corporations are having their assets seized for their crimes. **No, everything is pushed onto China.** That there was cooperation between criminal elements in the US, Israel, Germany, China, South Korea, Australia, New Zealand and elsewhere as part of this operation is clear. We need to have all the documents declassified. Nothing else will do.

The Covid Dossier compiled by Sasha Latypova and Debbier Lerman gives a pretty good summary of what actually took place, although it also has a lot of blanks—and that is as it should be as we still do not know the full story.

The True Origins of COVID 19

The White House

**THE ORIGIN**

“The Proximal Origin of SARS-CoV-2” publication — which was used repeatedly by public health officials and the media to discredit the lab leak theory — was prompted by Dr. Fauci to push the preferred narrative that COVID-19 originated naturally.

**PROXIMAL ORIGIN PUBLICATION**:

“The Proximal Origin of SARS-CoV-2” publication — which was used repeatedly by public health officials and the media to discredit the lab leak theory — was prompted by Dr. Fauci to push the preferred narrative that COVID-19 originated in nature.

**GAIN-OF-FUNCTION RESEARCH**:

A lab-related incident involving gain-of-function research is the most likely the origin of COVID-19. Current government mechanisms for overseeing this dangerous gain-of-function research are incomplete, severely convoluted, and lack global applicability.

**ECOHEALTH ALLIANCE INC. (ECOHEALTH)**:

EcoHealth — under the leadership of **Dr. Peter Daszak** — used U.S. taxpayer dollars to facilitate dangerous gain-of-function research in Wuhan, China. After the Select Subcommittee released evidence of EcoHealth violating the terms of its National Institutes of Health (NIH) grant, the U.S. Department of Health and Human Services (HHS) commenced official debarment proceedings and suspended all funding to EcoHealth.

New evidence also shows that the Department of Justice (DOJ) has opened an investigation into EcoHealth’s pandemic-era activities.

**NIH FAILURES**:

NIH’s procedures for funding and overseeing potentially dangerous research are deficient, unreliable, and pose a serious threat to both public health and national security. Further, NIH fostered an environment that promoted evading federal record keeping laws — as seen through the actions of Dr. David Morens and “FOIA Lady” Marge Moore.

**HHS OBSTRUCTION**:

The Biden Administration’s HHS engaged in a multi-year campaign of delay, confusion, and non-responsiveness in an attempt to obstruct the Select Subcommittee’s investigation and hide evidence that could incriminate or embarrass senior public health officials. It appears that HHS even intentionally under-resourced its component that responds to legislative oversight requests.

**ECOHEALTH OBSTRUCTION**:

EcoHealth President Dr. Peter Daszak obstructed the Select Subcommittee’s investigation by providing publicly available information, instructing his staff to reduce the scope and pace of productions, and doctoring documents before releasing them to the public. Further, Dr. Daszak provided false statements to Congress.

**DR. DAVID MORENS**:

Dr. Fauci’s Senior Advisor, Dr. David Morens, deliberately obstructed the Select Subcommittee’s investigation, likely lied to Congress on multiple occasions, unlawfully deleted federal COVID-19 records, and shared nonpublic information about NIH grant processes with EcoHealth President Dr. Peter Daszak.

**NEW YORK OBSTRUCTION**:

New York’s Executive Chamber — led presently by Governor Kathy Hochul — redacted documents, offered numerous illegitimate privilege claims, and withheld thousands of documents without an apparent legal basis to obstruct the Select Subcommittee’s investigation into former Governor Cuomo’s pandemic-era failures.

**WORLD HEALTH ORGANIZATION (WHO)**:

The WHO’s response to the COVID-19 pandemic was an abject failure because it caved to pressure from the Chinese Communist Party and placed China’s political interests ahead of its international duties. Further, the WHO’s newest effort to solve the problems exacerbated by the

COVID-19 pandemic — via a “Pandemic Treaty” — may harm the United States.

**SOCIAL DISTANCING**:

The “6 feet apart” social distancing recommendation — which shut down schools and small business across the country — was arbitrary and not based on science. During closed door testimony, Dr. Fauci testified that the guidance “sort of just appeared.”

**MASK MANDATES**:

There was no conclusive evidence that masks effectively protected Americans from COVID-19. Public health officials flipped-flopped on the efficacy of masks without providing Americans scientific data — causing a massive uptick in public distrust.

**LOCKDOWNS**:

Prolonged lockdowns caused immeasurable harm to not only the American economy, but also to the mental and physical health of Americans, with a particularly negative effect on younger citizens. Rather than prioritizing the protection of the most vulnerable populations, federal and state government policies forced millions of Americans to forgo crucial elements of a healthy and financially sound life.

**NEW YORK PANDEMIC FAILURES**:

Former New York Governor Andrew Cuomo’s March 25 Order — which forced nursing homes to accept COVID-19 positive patients — “was medical malpractice.” Evidence shows that Mr. Cuomo and his Administration worked to cover up the tragic aftermath of their policy decisions in an apparent effort to shield themselves from accountability.

**COVID-19 MISINFORMATION**:

Public health officials often mislead the American people through conflicting messaging, knee-jerk reactions, and a lack of transparency. Most egregiously, the federal government demonized alternative treatments and disfavored narratives, such as the lab leak theory, in a shameful effort to coerce and control the American people’s health decisions.

When those efforts failed, the Biden Administration resorted to “outright censorship—coercing and colluding with the world’s largest social media companies to censor all COVID-19-related dissent.”

**THE ORIGIN**

“The Proximal Origin of SARS-CoV-2” publication — which was used repeatedly by public health officials and the media to discredit the lab leak theory — was prompted by Dr. Fauci to push the preferred narrative that COVID-19 originated naturally.

.

.

1. The virus possesses a biological characteristic that is *not found in nature.*

2. Data shows that all COVID-19 cases stem from *a single introduction into humans*. This runs contrary to previous pandemics where there were multiple spillover events.

3. *Wuhan is home to China's foremost SARS research lab*, which has a history of conducting gain-of-function research (gene altering and organism supercharging) at inadequate biosafety levels.

4. Wuhan Institute of Virology (WIV) researchers were *sick with COVID-like symptoms* in the fall of 2019, months before COVID-19 was discovered at the wet market.

5. By nearly all measures of science, if there was evidence of a natural origin it would have *already surfaced*. But it hasn't.

## The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

**by Michel Chossudovsky**

Michel Chossudovsky reviews in detail how this insidious project "destroys people's lives". He provides a comprehensive analysis of everything you need to know about the "pandemic" — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

*"My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the "deadly" COVID-19 "vaccine". This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument."*

**Reviews**

*This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized.* —**Dr. Mike Yeadon**

*In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky's book is a rock upon which to sustain our fight.* –**Dr. Emanuel Garcia**

*In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden "plandemic"; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists.* —**Peter Koenig**

*Professor Chossudovsky exposes the truth that "there is no causal relationship between the virus and economic variables." In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy.* –**David Skripac**

*A reading of Chossudovsky's book provides a comprehensive lesson in how there is a global coup d'état under way called "The Great Reset" that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place.* –**Edward Curtin**
